TVA Notice

Tallahatchie Valley EPA submitted a request for TVA to authorize a proposed investment of electric system revenues in its broadband entity to support the deployment of commercial broadband.

Tallahatchie Valley is subject to TVA's regulation pursuant to Section 10 of the TVA Act and the wholesale power contract between Tallahatchie Valley and TVA. TVA has reviewed Tallahatchie Valley's request and hereby gives notice that TVA has authorized Tallahatchie Valley to invest electric system revenues in its broadband entity in an amount not to exceed \$4,000,000 for 20 years. TVA estimates that the total investment for both electric and commercial broadband will not have any rate impacts on consumers.

Tallahatchie Valley must enter into a use of funds agreement consistent with TVA's regulation. Specifically, the use of funds agreement will require the investment be repaid with interest and will contain risk mitigation and compliance measures designed to protect electric consumers.
