The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact BlueCross BlueShield of Tennessee at 1-800-245-7942 or visit www.bcbst.com.. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-network: \$1,500 Ind / \$3,000 Family*. Out-of-network: \$3,000 Ind / \$6,000 Family* Doesn't apply to preventive care. Copays, premiums, and vision care do not apply to the deductible.	You must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay for covered services you use. The <u>deductible</u> starts over on January 1st of each plan year. If you have other family members on the policy, the overall family deductible must be met before the plan begins to pay. See the chart starting on page 2 for how much you pay for covered services after you meet the <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Preventive care services are covered at 100 % and do not apply toward the deductible.	You don't have to meet the <u>deductible</u> before preventive care services are covered. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No	You don't have to meet <u>deductibles</u> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For <u>network providers</u> \$4,500 individual / \$9,000 family*; for <u>out- of-network</u> providers \$9,000 individual / \$18,000 family*	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. This limit helps you plan for health care expenses.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, out-of- network vision services/materials, amount of reduced or denied benefit for failure to obtain preauthorization for services, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes, this <u>plan</u> uses Network P. See <a href="http://www.bcbst.com/Network-P">http://www.bcbst.com/Network-P</a> or call 1-800- 565-9140 for a list of <a href="network-providers">network</a> <a href="providers">providers</a> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before

Do you need a <u>referral</u> to see a <u>specialist</u> ?	No. You don't need a referral to see a specialist.	You can see the specialist you choose without permission from this plan.
