

TENNESSEE VALLEY AUTHORITY  
PUBLIC NOTICE & REQUEST FOR INFORMATION

The Tennessee Valley Authority is considering the relocation of family cemeteries within the Gallatin Fossil Plant property located at 1499 Steam Plant Road, Gallatin, TN along the Cumberland River. These cemeteries were on the property when TVA acquired the land in the 1950s. Appropriate environmental and other reviews will be performed should TVA elect to relocate the cemeteries. TVA is currently gathering genealogy and historical information.

To date, the following names have been associated with TVA's research:
