Let's Visit

TVA invites you to a series of virtual community meetings to visit about the retired Allen Fossil Plant restoration project and our efforts to protect the Memphis aquifer.

TVA has a shared responsibility with the City of Memphis, Shelby County, MLGW, and the Port Commission to safely remove the coal ash and restore the Allen site for the benefit of the community.

We want to hear from you about this restoration project and hope you will join us!

Virtual Community Meeting Details:

September 22, 2021

5 – 7 pm (CT)

Go to www.tva.com/allen to access the meeting link when it begins on September 22.
