

ASK?

Portable Water Filtration Systems

Name: _____

- What is the problem?

- What do you already know?

- What have others done?

- What are the constraints?

PLAN

Portable Water Filtration Systems

Name: _____

- Materials

- Diagram of filtration system

Environmental Engineer

Environmental engineers apply science and engineering principals to help minimize and manage waste and pollution, protecting the air, water, soil.

Filter

A device used to remove impurities or solid particles from a liquid or gas.
