

Research/Work Days Daily Schedule of Tasks

Day	Paper	Presentation
1	Thesis, locate sources, annotate sources,	Decide on Theme or style Pick information to present
2	Annotate sources, introduction, results	Build slides
3	Results, discussion, conclusion	Build slides, Assign parts Decide on wardrobe
4	Conclusion, works cited, PROOF READ	Practice! Practice! Practice!

Notes: If you are using google docs, make sure students share the documents and slide show with EVERYONE in the group. (in case of absences) This platform allows you the educator to see who worked on which part and every revision made. (Stops the who did what)
