INVESTOR RELATIONS

Growing up in China, Grace Felker dreamed of going far away. That dream was realized when she traveled to the U.S. to earn her MBA degree from the University of Tennessee at Chattanooga, got a job in finance with TVA and worked her way up to manager of Investor Relations. “Our primary role is to enhance investor demand for TVA debt securities by keeping the financial community informed of TVA’s performance,” she says. “The more buyers we can attract when we issue bonds or other securities, the lower our borrowing cost. The lower our borrowing cost, the lower we can keep our electric rates and the more jobs and prosperity we can bring to the Tennessee Valley.”
